VINEYARD NOTES

Years of experience have allowed us to identify those Languedoc vineyards, where the Sauvignon grape displays its most intense characters.

WINEMAKING NOTES

The grapes were cold macerated then pressed, cold settled before fermentation. A small amount of Marsanne added richness and complexity.

TASTING NOTES

The blending of a little Marsanne in with the sauvignon has made this a very interesting wine with refreshingly grassy green fig, papaya and lychee notes to go with the characteristic sauvignon capsicum and gooseberry flavours.

FOOD STYLE

Great by itself or to accompany all fish and white meat dishes. Will work especially well with seafood. Delicious by itself.
